Kaagaz

Users of Kaagaz Scanner

QR Scanner, QR Reader, Barcode Reader & QR Creator all rolled into one.

Users of Kaagaz Scanner: -The users of Kaagaz Scanner app could be diverse, including individuals, professionals, students, and businesses who need to digitize documents, receipts, notes, or any other physical documents.

➢ **Students: -**
- **Use Case: -** Students often need to digitize lecture notes, handouts, or textbooks for easier access and organization.
- **Explanation: -** Students can use the app to quickly scan and store important study materials, making it convenient to review and study on digital devices.

➢ **Professionals**: -
- **Use Case: -** Professionals frequently deal with paperwork, such as contracts, invoices, and receipts, which they may need to store digitally for record-keeping or sharing purposes.
- **Explanation: -** The app provides professionals with a convenient way to scan and store documents on their smartphones, eliminating the need for bulky scanners and allowing for quick access to important paperwork while on the go.

➢ **Businesses/Entrepreneurs: -**
- **Use Case: -** Freelancers and entrepreneurs often need to keep track of receipts, invoices, and business documents for accounting and tax purposes.
- **Explanation:** - Kaagaz Scanner enables freelancers and entrepreneurs to easily digitize and organize their business documents, helping them stay organized and efficient in managing their finances and administrative tasks.

➢ **Home Users: -**
- **Use Case:** -Home users may need to digitize personal documents, such as medical records, insurance documents, or household receipts.
- **Explanation: -** The app offers a simple solution for individuals to scan and store important personal documents securely on their devices, reducing clutter and ensuring easy access when needed.

Parameters/ Pointers for research of Kaagaz Scanner

➢ **Ease of Use: -**
- How intuitive is the app's interface for users?
- Are users able to navigate through the scanning process easily?
- Do users encounter any difficulties or confusion while using the app?

➢ **Convenience: -**
- How convenient do users find the app compared to traditional scanning methods?
- Does the app save users time and effort in digitizing documents?
- Are there any features or functionalities that users find particularly convenient or inconvenient?

➢ **Understanding of the App: -**
- How well do users understand the app's features and functionalities?
- Are users aware of all the capabilities of the app, or are there features they may be overlooking?
- Do users encounter any challenges in understanding how to use certain features?

➢ **Frequency of Usage: -**
- How often do users use the app?
- What types of documents are users scanning most frequently?
- Are there specific scenarios or contexts in which users tend to use the app more often?

➢ **Feedback and Suggestions: -**
- What feedback do users provide about their experience with the app?
- Are there any common pain points or areas for improvement mentioned by users?
- Do users have any suggestions for new features or enhancements to existing features?

Questionnaire for research of Kaagaz Scanner

1. General Information: -

    - Name: ………………………………………………….

    - Age: ……………………………………………….......…

    - Gender: ………………………………………………...

    - Occupation: …………………………………………….

2. Usage Frequency: -

  - How often do you use the Kaagaz Scanner app?

  > Daily ☐   > Several times a week ☐

  > Occasionally ☐   > Rarely ☐

3. Document Types: -

  - What types of documents do you primarily scan using the app?

  (e.g., receipts, contracts, notes, etc.) …………………………

4. Ease of Use: -

  - How would you rate the ease of use of the Kaagaz Scanner app?

  > Very easy ☐   > Somewhat easy ☐   > Neutral ☐

  > Somewhat difficult ☐   > Very difficult ☐

5. Convenience: -

  - Do you find the Kaagaz Scanner app more convenient than traditional scanning methods (e.g., desktop scanner, Cam Scanner)?

  > Yes ☐   > No ☐   > Neutral ☐

6. Understanding of Features: -

  - Are you aware of all the features offered by the Kaagaz Scanner app?

  > Yes, I am familiar with all features. ☐

  > No, I may not be aware of all features. ☐

7. Feature Usage: -

  - Which features of the app do you use most frequently?

  - Are there any features you rarely or never use? If so, why?

…………………………………………………………………………………

…………………………………………………………………………………

…………………………………………………………………………………

8. Challenges and Pain Points: -

   - What challenges or difficulties have you encountered while using the Kaagaz Scanner app?

   - Are there any specific pain points or areas for improvement you would like to highlight?

…………………………………………………………………………………………

…………………………………………………………………………………………

9. Feedback: -

   - What do you like most about the Kaagaz Scanner app?

   - What improvements or additions would you like to see in future updates of the
     app?

…………………………………………………………………………………………

…………………………………………………………………………………………

10. Recommendation: -

   - Would you recommend the Kaagaz Scanner app to others?

   >Yes ☐   > No ☐   >Maybe ☐

11. Additional Comments: -

   - Is there anything else you would like to share about your experience with the
     Kaagaz Scanner app?

…………………………………………………………………………………………
